200X Manual 1.pdf;

Hi Olivia Franken,

Please see the following pictures, model number is 200X.

I have also attached the manual for this equipment.

Thanks,

Subject: Spin Coater References

Good afternoon,

Before I begin the retopology process with the existing spin coater model, I wanted to know if anyone had any reference photos, product links, or model numbers for it.

I want to save as much time as possible while also maintaining accuracy.

Thank you,

Olivia K. Franken
